

Crypto estate map

Secret-free overview for owners: what exists, where the guidance lives, and who to contact. Never write seed words, keys or passwords in this form.

1. What exists

Exchange accounts	platform + account identifier
Self-custody wallets	software / hardware / paper
Hardware devices	make, model, where kept
Recovery material	location only - never the words
DeFi positions	staking / lending / pools
NFTs and other tokens	collections, marketplaces
Crypto held by others	custodian / adviser / family

2. Where it is kept

Location	safe / bank box / lawyer's vault
What is inside	location only - never contents
Who knows it exists	name and contact

3. First contacts

Exchange support
Lawyer / notary
Tax adviser
Technical helper

4. Notes and review

2FA / passphrase note	that it exists - never the codes or words
